Screenshots :

The screenshot shows a web application interface with a header bar containing a home icon, a search bar with 'localhost:5173', and user account options. Below the header, there are two navigation links: 'Show All Products' and 'Add Product'. The main content area displays six product cards, each with a rounded rectangle background:

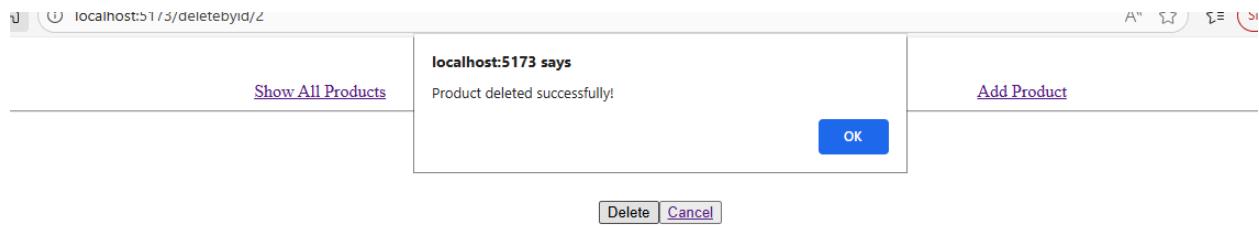

- Name : Book**
Price : ₹ 90
Buttons: Checkout, Delete Product, Update Product
- Name : Ruler**
Price : ₹ 10
Buttons: Checkout, Delete Product, Update Product
- Name : Eraser**
Price : ₹ 20
Buttons: Checkout, Delete Product, Update Product
- Name : Sharpner**
Price : ₹ 15
Buttons: Checkout, Delete Product, Update Product
- Name : Bottle**
Price : ₹ 70
Buttons: Checkout, Delete Product, Update Product
- Name : pen**
Price : ₹ 10
Buttons: Checkout, Delete Product, Update Product

Activate Windows

The screenshot shows the same web application interface as the first one. The 'Show All Products' link is visible at the top. The main content area displays a single product card for a 'Book':

- Name : Book**
Price : ₹ 90

Below the card, there are two links: 'Show All Products' and 'Add Product'. A modal dialog box is open in the center of the page, titled 'Delete Product ID: 2'. It contains the text 'Delete' and 'Cancel' buttons.

Show All Products Add Product

Product Name: Drawing lines

Product Description:

Price:

Category:

This screenshot shows a form for adding a new product. The form fields include: Product Name (text input with value "Ruler"), Product Description (text input with value "Drawing lines"), Price (text input with value "10"), and Category (text input with value "Stationary"). Below the category input is a "Submit" button. Above the form, there are two links: "Show All Products" on the left and "Add Product" on the right. The background is white.
